PROFILING

As part of the Website, we conduct profiling activities – this takes place only if you allow it. Profiling is based on an automatic evaluation of what products or services you may be interested in, using information about the content you display. Thanks to this, product or service advertisements displayed as a part of the Internet services you use will be more suited to you and to your needs.

The kind of profiling we carry out does not lead to making decisions which would have legal effects for you or

would affect you in any similarly relevant way.

ANALYTICAL ACTIVITIES

As part of the Website operations, we conduct analytical activities aimed at increasing its intuitiveness and accessibility – this takes place if you allow such activities. As part of the analysis, we will take the way you navigate the Website into consideration, for example, how much time you spend on a given webpage, or which places of the Website you click on. That way, we can customise the layout and appearance of the Website and the content we post on it to suit the needs of Users.

DATA SAFETY

While processing your personal data, we use organisational and technical measures which comply with the relevant provisions of law, including encrypting the connection with the use of an SSL certificate.

COOKIES

Our Website, like most Internet websites, uses the so-called cookies. These cookies:

- are stored in the memory of your device (computer, mobile phone, etc.);
- do not introduce any changes in the settings of your device.

On this Website, cookies are used for the following purposes:
